

MANDELA MINING PRECINCT
MINDS FOR MINES

FAQ's

POST-RESPONSE

QUESTIONS

RESPONSE

What are the common reasons for applications being rejected?

- Pre-qualification Questionnaire is not completed
- Invitation to Tender not attended
- Late submission of tender documents
- Not meeting minimum requirements
- Uncompetitive offer
- Incomplete application
- Submission of inaccurate/ incomplete information or documentation

Where can I get help for future applications?

Please refer to Pre-Application FAQs

My application was successful, what now?

If you have been awarded the tender, you need to confirm your acceptance with the mine. This may involve setting up a kick-off meeting with the mine.

Where do I report unfair procurement practices?

Please use the whistleblowing help line for the mine to report this anonymously. Details of the whistleblowing help line is usually found on the mine's website.
